

Junior Job Captain

Firm Profile:

HPI Architecture is a well-established, award-winning architecture firm that focuses on Education, Senior Living, Healthcare and Corporate projects. We are located in San Diego and in Newport Beach 1 block from the ocean.

We have a collaborative and fun office environment that supports and encourages professional growth.

Job Description:

We are currently seeking a full-time Junior Job Captain for each office location. This position will support Project Managers and Project Architects in 3D modeling and documentation in Revit. This will include the Design Development and Construction Documents phases of projects as well as addressing QC, constructability and plan check comments.

Qualifications:

- BArch or MArch professional degree
- 3+ years of full-time work in an architectural firm
- Self-motivation
- Ability to work as part of a team
- Strong graphic skills
- Strong communication skills
- Good attention to detail
- Well-versed in Revit and AutoCAD

We offer a competitive salary and a comprehensive benefits package, including health, dental, vision, and life insurance, a 401(k) plan, and vacation time. Salary is commensurate with experience.
